

Get Stuck In!

This is a Reform UK Scotland Position Paper

We want to take our country back from the out-of-touch politicians who are ruining our lives at the moment. You can help us to do that by joining the biggest grass-roots political movement in Britain since the formation of the Labour party.

But even an extremely popular and eminently sensible movement like ours can't succeed just on good wishes. We need practical and financial assistance.

Please help us by:

- ◆ Becoming a supporter (free and you'll get regular email updates)
- ◆ Becoming a member (£25 allows you to help shape policy)
- ◆ Talking to people about us (and giving them these flyers)
- ◆ Volunteering with leafleting, street stalls, canvassing, etc.
- ◆ Giving us money (pays for adverts, literature)

Our current political establishment is rotten to the core. We are moving into an extremely important era in our history where if we don't work to protect our democracy we may lose it altogether.

If you share our fear, fury and frustration with today's world please help us to put the country right again by regaining it for the common people. Your help will be gratefully received.
